Gujranwala Expo 2026 - "Made in Gujranwala" at Karachi Expo Centre on 10-12 April 2026

Gujranwala, being a prominent industrial hub of Pakistan, is renowned for its innovation, craftsmanship and entrepreneurial spirit. The above exhibition will feature products from a broad range of sectors including rice and agro processing, textile and apparel, ceramic tiles and sanitary ware, cutlery and stainless steel utensils, cookware and kitchenware, plastic products and furniture, pipe and fittings, home appliances (electric and gas), light and heavy engineering, pumps and motors, fans, metal processing, chemicals and detergents, printing and packaging, food and beverages, wooden and melamine furniture, beauty and cosmetic products, rugs and carpets, hardware items, real estate and construction along with manufacturing, machinery, technology and allied industries.

The Expo will provide an excellent platform for local businesses and SMEs to showcase their capabilities, develop business linkage and explore avenues for trade and investment cooperation with international partners. It will also promote interaction among business communities, entrepreneurs and government institutions through networking and exchange of ideas.

The above trade exhibition, organized by Gujranwala Chamber of Commerce & Industry, is being held at Karachi Expo Centre from 10-12 April 2026; to which our association is an active sponsor and wherein our Chairman Mr. Mahmood Nara will participate as Guest of honour on the very first day with Vice Chairman Mr. M. Shehzad Ashraf and his executive as well as prominent members of the association.

Attached herewith is their cordial invitation to all our members with the request for their maximum participation.
